MEMORANDUM FOR: Deputy Director (Support)

SUBJECT : Bureau of the Budget Bulletin No. 60-1, "Government employee parking survey (downtown Washington area)"

1. This memorandum is for action by the Deputy Director (Support). Such action is requested in paragraph 4.

2. The attached Bulletin No. 60-1 was received from the Bureau of the Budget. It will be noted that the list for distribution included in Exhibit 2 does not include CIA. In view of this omission, the Bureau of the Budget was called to determine whether they intended CIA to respond to the request. Mr. Ecker, after checking the matter, indicated that the omission of CIA was an oversight and it was intended to include all major agencies located within the area shown on the map (Attachment A).

3. The security factors involved in the submission of this report were discussed at some length with Mr. Ecker. It was indicated that the submission of employee questionnaires indicating the location and number of employees in each building in the indicated area raised some very serious security problems and we doubted the advisability of submitting the questionnaire by all Agency employees. A call was received 16 July 1959 from Mr. Ecker indicating that the Bureau of the Budget would appreciate the submission of a general report as outlined in paragraph 3., but did not request the submission of the individual employee questionnaires.

4. It is recommended:

a. That the Office of Logistics be requested to prepare and submit to the Bureau of the Budget through this Office the general Agency report as outlined in paragraph 3. in the attached Bureau of the Budget Bulletin No. 60-1.

b. That the Agency not have the employee questionnaires completed.

5. The Office of Logistics has been furnished a copy of Bulletin No. 60-1.
